

**Committee on Equal Opportunities
Council on Postsecondary Education
February 16, 2009**

**Institutional Representative Reports
Implementation of Campus Visit Recommendations**

Following campus visits, the committee request institutions to provide formal reports regarding implementation of the recommendations contained in the campus visit report. At subsequent meetings, the committee allows institutions an opportunity to report on the status of the recommendations. The status reports are general highlights of strategies used by institutions and the resulting success.

The status reports assist the CEO to assess its own responsibility to monitor progress in implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement.

An opportunity to provide an updated status report will be afforded the following institutional representatives:

Ms. Sandra Moore, Eastern Kentucky University

Dr. Gwen Joseph, Kentucky Community and Technical College System

Dr. Kimberly Holmes, Kentucky State University

Mr. Phil Gniot, Morehead State University

Ms. Sabrina Dial, Murray State University

Dr. Willie Elliott, Northern Kentucky University

Mr. Terry Allen, University of Kentucky

Dr. Mordean Taylor-Archer, University of Louisville

Dr. Richard Miller, Western Kentucky University
